

More Time to Breathe Easy

Increased aerosol suspension time gives everyone more time to breathe easy**

ComfortSeal® Mask

superior mask fit is snug with secure seal, limiting entrainment of ambient air and maximizing drug delivery.

Flow Dynamic Valve and Baffle System prevents patients from exhaling into the chamber, ensuring the remaining medication is available for the next breath

Consumer Friendly

- Easier to read user instructions
- Visually appealing design

Anti-Static Chamber

provides consistent aerosol delivery right out of the package

Universal pMDI Adapter

fits commonly prescribed pMDIs for easy insertion and removal of pMDIs

More Time to Breathe Easy.
