

AeroChamber Plus Flow-Vu[®]

Anti-Static Valved Holding Chamber

BETTER TOGETHER.

Although chambers may be similar in appearance, they should not be considered interchangeable since substantial differences in performance may exist!

Use of chambers is recommended for people of all ages.

**Increase
lung deposition**

**Reduce
side effects**

**Overcome
coordination
issues^{2,3,4}**

Dispense as Written **DO NOT SUBSTITUTE**

	WAC SWP	UPC	Part Number	Package Size	UOM	Case Size
